2. A portion of the license amount was taken from the second man and his responsibility was not enforced and he was not made liable for the loss only on technical grounds

In the one case the Assistant Collector's explanation is not furnished and the other point has for the Dt Excise Officers order for its support. The Excise Commr's letter gives the facts of the case and nothing more than accepting the recommendation seems possible at this distance of time

FILE NO. 214-13
SERIAL No.

Sir,

I have the honor to state that one M.C. Ranga Iyengar purchased the marginally noted toddy shops of Krishnarajpet Taluk for the year 1902-03. He paid an initia deposit of R$ 73-8-0 but failed to pay the further deposit He presented a petition, dated 10th July 1902, to the Amildar representing that he was unable to work the shops and requesting that they might be transferred to one Krishnappa. This Krishnappa appeared before the Amildar on the same day and agreed in his statement that he would work the shops and furnish surety within fifteen days.

2. The Amildar submitted the records to the Deputy Commissioner with his No. 4, dated the 10th July 1902, with his recommendation and reported that he had issued "appane" chit to Krishnappa to open the shops. As it was the Excise Commissioner who should have accorded sanction to the transfer of the shops, the Deputy Commissioner called on the Amildar to submit his explanation for his wrong procedure and to enquire and report on the solvency of Krishnappa.

3. The Amildar then reported that neither of them had presented himself before him nor paid the required deposit and recommended the resale of the shops In accordance with the Deputy Commi

Commissioner's orders the shops were resold on 1st September 1902 and the new purchasers began to work the shops from that date, the loss by the resale being R. 85.

4. The shop rent for July and August was adjusted from the Deposit furnished by Ranga Iyengar and the amount recovered from Krishnappa who worked the shops during those months. Further steps were taken to recover the loss amount from Krishnappa who refused to pay on the ground that the shops had not been transferred in his name. Then a notice was issued to the original purchaser to make good the amount of the loss. He stated that the shops had been transferred in the name of Krishnappa and that he was not liable. Since the transfer of the shops was not effected by competent authority, steps were taken to recover the amount in question from the defaulter. It is now reported that the defaulter possesses no property and that there is no chance of recovering the arrears of R. 85/- The Deputy Commissioner in his docket No. 384, dated the 23rd January 1914, recommends the - - remission of the arrears therefore.

5. From the records it is observed that the Amildar has not submitted his explanation for having transferred the shops in the name of Krishnappa in anticipation of sanction. Mr. Krishnaji Narain Modak, the Amildar concerned, is no longer in service.

6. Under these circumstances, I request that orders of Government may be kindly obtained for the amount being written off the accounts.

7. The records connected with the case and the remission statements in duplicate are herewith submitted for reference and return.

I have the honor to be
